

## Rules for the Middlesex Postal Worcester League

### July 2009

- 1 Round: Worcester - 5 dozen arrows shot at 20 yards in ends of 5 arrows on a black and white Worcester face
2. Teams: Recurve 5  
Compound 2  
Longbow 2  
  
Possible junior teams if required (Juniors are those under the age of 18 years at 1st November)
3. Awards:  
Teams  
Individual top score awards (lady, gent, junior boy and girl)
4. The League should run from November to March, 5 months.
5. Points would be awarded: 3 for a win; 2 for a draw and 1 for a lose
- 6 The ideal would be 6 clubs competing and would compete according to the table below:

Club	Opponents				
	Nov	Dec	Jan	Feb	Mar
A	B	C	D	E	F
B	A	F	E	C	D
C	D	A	F	B	E
D	C	E	A	F	B
E	F	D	B	A	C
F	E	B	C	D	A

Clubs would be allocated randomly, by means of a draw.

If less than 6 clubs take part, Byes would be included in the fixture list. As every club shoots against every other club this would be fair to all. Clubs with Byes would still have to shoot and submit a score.

If more than 6 clubs in any one discipline wish to take part, the league could be organised in 2 divisions and the overall winner would be the division winning club with the highest aggregate points throughout the winter.

- 7 At the beginning of the month following the match being shot, clubs should send their results by e-mail, on the form below to their opponent and to the League Secretary, by 7th of the following month, so that by 10th of the following month results of matches are known.

The League secretary would then publish a table showing the points won by each club.

8. Clubs may only shoot their match within the calendar month. The match should be prearranged. An exception can be made if the the venue becomes unavailable through no fault of the participation club. Matches should not be postponed just because insufficient archers turn up. Matches cannot be shot a second time to to try to better scores. All members must shoot at the same place at the same time.
9. Archers may only shoot for one club in each league, but may shoot for different clubs in different disciplines.
10. Only archers affiliated to GNAS through Middlesex County Archery Association may take part.
