Thank you all for getting the scores in on time.

So here are the first month's results. As always, if you have spotted any errors or have any queries or comments please let me know.

Please remember to send you scores to your opponents too, on the above contacts.

The concensus amongst the compound teams was that the five spot faces should be allowed, but are not compulsory. Five spot faces with an X in the middle of the white are not acceptable, only the normal black and white version, with an empty white centre.

Last year I attempted to let you see all the individual scores, but this was a lot of extra work and I would rather not do it, so I hope you will not object if I do not do that this year.

As the next Newsletter will be in January 2012, can I wish you a Happy Christmas and a successful New Year.
